AK PARA SA BETA
THE INTERNATIONAL CONFERENCE IN CEBU

OBJECTIVES:

At the end of the symposium, the participants will be able to:

- 1) Describe the factors/ predictors of unwanted exposure to online pornography and online sexual solicitation.
- 2) Describe the trends in the reporting of unwanted sexual exposure, grooming, solicitations, sextortion, blackmailing and harassment via the internet.
- 3) Determine the profile of online predators and recipients in unwanted exposure and online sexual solicitations.
- 4) Advocate measures to reduce the risk of unwanted exposures and solicitations.
- 5) Determine young internet users' knowledge of how to avoid or respond to such experiences including their awareness of help sources and their beliefs about the circumstances under which they might seek help or report such episode.
- 6) Determine internet safety information for parents and parents' active mediation of internet safety.
